### Trash the Dress / Post Wedding Session £250

What if you could wear that dress just once more and create some amazing pictures that just were not practical or possible at the wedding?

Imagine walking through an English country woodland and lying down amongst the flowers or taking a stroll along a deserted beach front and ending up dancing in the waves. Maybe you'd prefer a more industrial background with old buildings crumbling around the edges surrounding you. Think along these lines and that's what Trash the Dress is all about.

Four hours session.

Password protected Internet Gallery.

High resolution CD with full print license and 20 images.

20% discount and additional 10 pages to your wedding album when booked with the wedding package.
